# CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Awarding Contract for City-Funded Maintenance of Landscape Areas for 2008 to Odyssey Landscaping Company, Inc., of Stockton (\$148,560)

MEETING DATE: November 21, 2007

PREPARED BY: Public Works Director

**RECOMMENDED ACTION:** Adopt resolution awarding the contract for City-Funded Maintenance of Landscape Areas for 2008, January 1, 2008 through June 30, 2008, to Odyssey Landscaping Company, Inc., of Stockton, in the amount of \$148,560

**BACKGROUND INFORMATION:** This project provides for the contract landscape maintenance of the 168 landscaped sites in the public right-of-way, public buildings, parking lots, the Multimodal Station and the White Slough Water Pollution Control Facility. In the past year, additional sites were added that included the center median on Lower Sacramento Road south of Kettleman Lane and Westgate Drive. The total acreage of the contract now exceeds 45 acres.

This bid consisted of three separate groups: Group A – Maintenance of Turf and Miscellaneous Landscape Areas, Group B – Maintenance of Lower Sacramento Road and Adjacent Landscape Areas, and Group C – Maintenance of Cherokee Lane and Adjacent Landscape Areas. The groups may be awarded separately to multiple contractors or together as one contract. Based on the bid results, staff recommends awarding all three groups to Odyssey Landscaping Company.

The specifications were approved on October 17, 2007, and are on file in the Public Works Department. The City mailed out thirteen bid packets. The City received the following three bids on October 31, 2007:

Bidder	Location	Bid
Engineer's Estimate		\$225,000
East Bay Construction Company, Inc.	Livermore	\$773,262
Odyssey Landscaping Company, Inc.	Stockton	\$148,560
Sunworld	Sacramento	\$300,173'

\*The bid submitted by Sunworld did not include the required 10 percent bid bond and so is considered non-responsive. This does not affect the outcome of the award

**FISCAL IMPACT:** This annual contract maintains the existing landscape sites at a frequency level of once a month. This work is separate from the landscape maintenance locations included in the various Landscape Maintenance Assessment Districts that have been established in new developments. Maintenance work at those locations is done more frequently.

**FUNDING AVAILABLE:** The money for this project will be coming from the 2007/08 Operating Budget (General Fund, Utility, and Transit accounts).
